fjmunoz@outlook.com · linkedin.com/in/javiermunoz-cfe · javiermunoz.finance

Chief Financial Officer with more than ten years of finance leadership, the last eight in Asia. I run finance where it is hardest: multi-entity groups, several jurisdictions and the moments when the numbers decide whether a company is funded, sold or saved. Capital raising, turnarounds, cross-border M&A and audits under US GAAP, IFRS, JGAAP and HK GAAP, with an AI-first finance function built on controls. Certified Fraud Examiner.

EXPERIENCE

Chief Financial Officer, Wayfarer

Sep 2023 – Present

Tokyo, Japan · hotel operator and AI technology company

Hotel operator and technology company running 13 properties and three brands on Materia Connect, its own AI platform that connects hotel PMS, systems and AI agents, with US$200M+ in assets, F&B and development JVs. Series A led by the Canon Marketing Japan MIRAI Fund. Member of the executive team, leading a finance team of five plus external advisors across jurisdictions.

SERIES A — Built the business plan and financial model behind the first close of the Series A, led by the Canon Marketing Japan MIRAI Fund, and led the investors' financial and operational due diligence.

BOARD REPORTING — Built the board reporting, valuation and KPI framework for capital raising and IPO or exit readiness, to public-company standards.

STRUCTURING — Set up joint ventures and development projects through project SPEs; own audit preparation and Japanese statutory filings across the group.

AI IN FINANCE — In-house tools built with Claude, mandatory AI training for the team, and a management report produced in under 30 seconds.

Chief Financial Officer, GoGo World

Jan 2018 – Aug 2023

Tokyo, Japan · technology start-up in Japan, Hong Kong and Korea

Recruited by the CEO after two years of profit decline. Member of the executive leadership team with teams in three Asian branches; owned finance, treasury, tax and bank relationships.

TURNAROUND — Grew EBT by 4,500% after two years of decline and supported the owner's exit, maximising company valuation.

CASH — Cut the cash-to-cash cycle by 28 days and financial costs by 23% with centralised cash management across Asia.

TAX — Saved US$400K+ a year with compliant transfer-pricing structures; unified reporting under JGAAP and HK GAAP.

COVID-19 — Protected liquidity and reallocated resources as revenue fell.

Chief Financial Officer, Grupo Sesé USA

Jun 2016 – May 2017

Chattanooga, Tennessee, USA · automotive supply chain

Promoted to CFO of the U.S. subsidiary of one of Europe's largest transport and logistics groups (revenue up to US$1B), with a mandate to avoid bankruptcy.

TURNAROUND	Reversed 2+ years of profit decline and improved EBT by US$0.8M.
LIQUIDITY	Raised working capital 87.5% and cut interest expense by US$100K+.
CLOSE	Brought the month-end close forward by 10 days under US GAAP and IFRS.
CAPEX	Supported the capital plan for a cross-border automotive project: parts made in Mexico, assembled in the U.S.

Deputy Chief Financial Officer, Grupo Sesé

Jun 2014 – May 2016

Zaragoza, Spain · group headquarters · 7+ European and 3+ American subsidiaries

Promoted to headquarters one year after joining, to create the financial shared-service centre and set financial strategy for the foreign subsidiaries.

LEADERSHIP	Country finance directors of 10+ subsidiaries in Europe and the Americas reported to me, including Germany, Poland, the UK, Mexico, Brazil and the USA.
M&A	Closed 4+ acquisitions in Europe and the Americas; built the valuation model and consolidated each one under IFRS.
FINANCING	Built the dynamic model that forecast the impact of an US$88M syndicated loan.
REPORTING	With the CFO, unified reporting for 10+ countries on one chart of accounts and IFRS.
SHARED SERVICES	Cut accounting costs 73% in Poland and 48% in Germany; led the Navision roll-out in the USA, Mexico and the UK.

Financial Controller, Grupo Sesé
